2 At 0.1 mile, pass by island of tall grass. It's best to pass on the left side, closest to the mainland. Continue in slight northeast direction.

3 Pass by tip of island at 0.6 miles. Begin to veer more northeast direction towards another large island 0.3 mile away.

4 At 0.9 mile, paddle around southern tip of island, head into center of bay, paddling towards upper right corner of bay. This is where the canal opening is located.

5 Enter Santee Canal at 1.4 miles. This is a narrow, shallow waterway (no more than 20 yards wide and maintains a depth of 4-5 feet).

Enjoy the calm waters of the Santee Canal. Keep an eye out for wildlife, including alligators, deer, wild boar and a variety of waterfowl.

6 Come to railroad crossing over the canal at 2.8 miles. The canal will begin to narrow shortly after the railroad crossing.

7 At 3.2 miles, come to the obvious end of the canal.

**Return the same way you came.**

8 Option. Turn a hard left when leaving the canal and head into a field of lilies. This is picturesque and worth the extra 20-30 minutes, particularly when everything is in bloom!

### **Distance**

7 miles, round-trip

<b>Route Directions – see map on page 5</b>	
<b>1</b>	From the Amos Lee Gourdine Boat Ramp, turn left, going around the peninsula, and head in a south direction, staying close to the shore.
<b>2</b>	Continue paralleling shore and the general treeline for the next 2.8 miles. This is a beautiful shoreline with a mix of pine and occasional tupelo trees. Look for nesting osprey in shorter trees out in the water in this area.
<b>3</b>	At 2.9 miles, reach the eastern tip of Coon Island. Continue in a south direction around the tip, bear right/west and paddle close to the shore.
<b>4</b>	<p>The southern side of the island has a long beach. Depending on water levels, this beach can be between 1,000 - 2,000 long. This is fantastic place to stop for lunch, take pictures of waterfowl, and has some of the best camping on Lake Moultrie.</p> <p>When you finish your exploration of the south side of Coon Island, return the same way you came.</p>
<b>5</b>	<u>Option</u> : Continue paddling around the shore line of the entire island. This will extend your paddle by nearly 2 miles. The north side of the island has additional camping opportunities and smaller beaches.

*You'll paddle across open water to get to Coon Island, but it's easy!*

*When camping on Coon Island, this will be your evening "back porch!"*
